

## Young at Heart Speaker Series

**2nd Wednesday each month: July 8th & August 12th**

We would like to invite everyone to join us! We have a wonderful, friendly group who host with great conversation and devotions. We enjoy delicious refreshments with a special program each month.

Our **July 8th** speaker will be **Rob Malone**. He is going to give an interesting program on the **Battle at Gettysburg**, Pennsylvania, fought from July 1st to 3rd, 1863. This battle was a turning point in the American Civil War. Join us to learn about the history of America! Joanne Holman will lead the devotion, then we will play a few games of Bingo. Bring a small wrapped gift to join in the fun!

On **August 12th**, **Laura Goss** will update us on **Senior Services in Lebanon**. Come check out what is available and what is new! Ellen will lead us in a devotion.

Please bring a friend and join us whenever you can!

“A legacy of faith is one of the greatest gifts I can give and receive.”
